A CALL TO ORDER

Secretary Val Ashcraft called the meeting to order at 11:00 am.

- B. Diamond Street Discussion: Todd Blankenship and Chris Terry met with City Engineer, Bob Bianchi to discuss issues with plans to make Diamond street a two-way road. This would cause difficulty for RCT busses to pull out of Stanton Center. Bob Bianchi was not aware of exactly where the busses pulled out at and how much room they would need. After discussions he is now aware and willing to work with RCT and its management to avoid possible hazards with use of increased striping.
